Haha, yeah  
Whattup ma? How you been  
Yeah I know, I know, hehe  
It's all good.. (Murder Inc.)

[Chorus: Ja Rule + (Ashanti)]  
Girl your stare, those eyes I (love it when you look at  
me baby)  
Your lips, your smile I (love it when you kiss me baby)  
Your hips, those thighs (I love it when you thug me)  
And I can't, deny I (love it when I'm witchu baby)

[Ja Rule]  
I, got a fetish for fuckin you witchu skirt on  
On the backstreet in the back seat of the Yukon  
What's takin so long? I'm gettin anxious  
but patiently waitin for you to tell a nigga to move on  
Between me and you, we can find each other  
flyin abroad in my private G-2  
I ain't tryin to G you, ma I'm tryin to see you  
Bend over, you know how we do it, feet to shoulders  
Bring heat to coldest night, so ferocious  
Now you street promotin the dick game is potent  
Cause in the bed a nigga go hard like Jordan  
Sweat pourin, lovin the way you be moanin  
Grippin the sheets, lookin at me lickin at me  
Cause every woman just wanna be happy  
And it's CRA-ZAY, but BAY-BAY, I.. (love it when I'm  
witchu baby)

[Chorus]

[Ashanti]  
I wanna get away, cause you know like I know  
And there's a better day, a-comin, I'm hooked on your  
lovin  
Believe me, and when you hold my body  
I know you need me, wait for me bay-bay  
I've been goin half crazy for your love  
And I was told that the sex, better than drugs  
Then get addicted, boy listen

I'm the only piece of the puzzle you're missin  
Like when we kissin - bye bye bye  
You got a girl that'll - ride ride ride  
So take me, tonight  
And do what you do to me baby

[Chorus]

[Ja Rule + (Ashanti)]

Shorty, are you really gettin bored with me, or him?  
Cause though I play a lot of games, I play 'em to win  
(But then again I'm still young and I'm livin my life)  
You know you're right and I'm the type  
to pull up to your bumper, get your number  
(BABY, I can only help but wonder)  
What life would be without (my sweet baby)  
And you're my baby (holla if you hear me)

[Ashanti + (Ja Rule)]

[harmonizes]

You can understand that my love is pain  
And how I feel in vain, it's just a woman thang  
(It's a man's world, but I understand)  
But there's still nothin different boy, stick to the plan  
(You be my down ass, witcha round ass)  
I know I'm feelin you (like you feelin me)  
The way you're holdin my body, the way you touch me

[Chorus]

[Ashanti: repeat 2X]

I love when you touch me baby  
All over my body baby  
I love when you kiss me baby  
All over my body baby
