[Ja Rule]
Haha yea
What up ma, How you been?
Yea I know, I know he he
It's all good
Murder inc

[Ja] Girl your stare those eyes I
[A] Love it when you look at me baby
[Ja] Your lips, your smile I
[A] Love it when you kiss me baby
[Ja] Your hips those thighs I
[A] Love it when you thug me baby
[Ja] And I cant deny I
[A] Love it when I'm wit you baby

[Ja]
I got a fetish witcha fucking you witcha your skirt on
On a back street in the back seat of a Yukon
What's taking so long?
I'm getting extra impatient waiting for you to tell a
nigga to move on
Between me and you we can find each other fly in a
broad in my private g2
I'm not trying to g you ma, I'm trying to see you
Bend over you know how we do it, feet to shoulders
Bring heat to the coldest night So ferocious
now you treat Promoting The dick game is poor
Cause in the bed nigga go hard like Jordan sweat
pouring loving the way you be moaning, gripping
the sheets, Looking at me, Licking at me, Cause every
woman just want to be happy
Its crazy but baby I

[A] love it when I'm wit you baby
[Ja] Girl your stare those eyes I
[A] Love it when you look at me baby
[Ja] Your lips, your smile I
[A] Love it when you kiss me baby
[Ja] Your hips those thighs I
[A] Love it when you thug me baby

[Ja] And I cant deny I
[A] Love it when I'm wit you baby

[Ashanti]
I wanna get away
Cause you know like I know
And there's a better day comin
And I'm hooked on your lovin
Believe me
And when you hold my body
I know you need me
Wait for me bay-bay
I been going half crazy for your love
And I was told that the sex is better then
