Girl, your stare, those eyes I
(Love it when you look at me, baby)
Your lips, your smile I
(Love it when you kiss me, baby)
Your hips, those thighs I
(Love it when you thug me, baby)
And I can't, deny I
(Love it when I'm wit' you, baby)

I've got a fetish for wantin' to get ya freak on
On the backstreet in the back seat of the Yukon
What's takin' so long, I'm getting' anxious
But patiently waitin' for you to tell a homey to move on
Between me and you, we could find each other
Flyin' abroad in my private G-2
I ain't tryin' to G you, I'm tryin' to see you
Bend over, you know how we do it, feet to shoulders
Bring heat to coldest night, so ferocious
Now you street promotin' the dick, game is potent
'Cause in the bed Rule go hard like Jordan
Sweat pourin', lovin' the way you be moanin'
Grippin' the sheets, lookin' at me, lickin' at me
'Cause every woman just wanna be happy
And it's crazy, but baby, I (Love it when I'm wit'
you, baby)

Girl, your stare, those eyes I
(Love it when you look at me, baby)
Your lips, your smile I
(Love it when you kiss me, baby)

Your hips, those thighs I
(Love it when you thug me, baby)
And I can't, deny I
(Love it when I'm wit' you, baby)

I wanna get away 'cause you know like I know
And there's a better day, comin', I'm hooked on your
lovin'
Believe me and when you hold my body
I know you need me, wait for me baby

I've been goin' half-crazy for your love
And I was told that the sex better than drugs
Then get addicted, boy, listen
I'm the only piece of the puzzle you're missin'
