Uh, uh, yeah, gangsta shit  
Takin my word, y'all want this  
They don't want none of me  
They don't want none of me  
Yeah, please believe it  
Rule baby, unquestionable  
Uh, uh, but you know that  
Heck, I know that  
Uh, ha, yeah, uh

[Verse 1]

What has this world come to  
When a nigga like me could be perceived the American  
Dream  
Life aint always what it seems, my younguns  
Please believe strugglin, always provokes the hustlin  
To that we accustomed  
You get acquainted with everybody throughout the  
hood  
Still don't trust 'em  
Trust is a serious thing  
Most niggas don't trust nobody they aint know since  
sixteen  
Does that mean the devil is in us, of course  
Who you think is holdin us up to fall short  
Touch but don't taste, taste but don't swallow  
And these are the rules that we 'posed to follow  
People pray for eternity, never see tomorrow  
They just, wishin the Lord would take 'em away from  
the horror that  
I'm currently, bringin, y'all motherfuckers gonna hafta  
Murder me, swingin bud, I won't die

[Verse 2]

Hear what I'm sayin, y'all niggas better start sayin  
prayers  
Cuz a nigga wit no cares, is finally here  
Say what I want, when I want, fuck police  
Cuz my gangsta niggas know we own the streets  
With the wind beneath my wings, ground under my feet  
I'm the black rose nigga that grew from concrete

It's the Rule, get it right, or get it real hot  
A whole lotta shots sent flying through your block  
[gunshot]  
The one I need, and, oh, before I leave  
Does anybody else feel they don't wanna breathe  
Been menacing this society since conceived  
And nigga you know cold hearts don't bleed  
Still they, pray for eternity, never seein tomorrow  
They just, wishin the Lord would take 'em away from  
the horror that  
I'm currently, bringin, y'all motherfuckers gonna hafta  
Murder me, swingin, the Rule won't die...
