I am late registration like mister ,
I heard college girls get the best of mmm
See you all next semester in a major ewe are getting
fucked up
You must be an Alpha so far I only nailed Delta
Somehow my flex don't get held up to the crash land
Now I .. give you to college girl
Nice slim waste .. it's my luck you must be college girl
Never seen you before college girl
Wanna see you more college girl
Baby we can meet up in campus
And end up in .. college girls
. on the weekend we get the freak it .. college girl
Baby girl I ain't done by the night which one on one
Two girls have more fun with it
From the front to the back from the back to the flow
with it
I got what you want don't stop get it get it
Don't stop get it
Beta kappa alpha .. sigma ,

Thanks to feel
