(Intro)

3000 what's happenin my nigga ha-ha  
Ok Inc Empire ha some niggaz know about that shit huh  
I'm startin to see the paint crack  
I'm startin to see the paint crack  
You niggaz is fuckin cowards  
The murderers Inc  
We fuck with these hoe's man you know ha-ha

(Verse 1)

Bitch I shine like diamonds from Seri Leone  
Excuse me not diamonds but ã¢??diamonds ã¢??  
And kanye had to think of a way wearing diamonds at  
all  
Till I throw again that a hoe's best friend  
And when I get the sippin on hypnotic in here  
(?) I can get the touchin on your closes friends  
Plus we do that other touchin leave no witnesses  
Touchy touchy  
I guess that's how us gangsters is  
And I'm bout to tell your bitch how a hoe should live  
Get a nigga hold him down even thru his bid  
Coz I put this on my momma and my 3 born kids  
I'm a get this chicken and flip it as long as I live  
And if there's beef on the menu I'll cook it at 50  
degrees (?)  
You hot I'll put you on freeze  
You know who I'm talkin to coz the 5-0  
You know where they go when them niggaz need info  
Over and out 10-4 I'll buck at you later  
The streets know but I don't want them to call me a  
hater  
Coz I've got blocks just like you but I don't get shot like  
you do  
You bitch nigga  
Back to the pen of a nigga can't get it get I get so much  
pussy  
I should run the city so come on and buck with me  
Get drunk get high  
It loc introducing the Inc empire lets go

(Chorus)

These niggaz don't really want it oh  
In the club bitches all up on us like  
(You so hot 4x)  
But these bitches don't really want me no  
They just want to be around a nigga coz

(You so hot 4x)

(Verse 2)

Niggaz I know you all fuckin with the eh eh the what  
Inc empire. Get down and get tied up and part of my  
delayer  
Nigga been tied up fuckin on America top modal's  
Like (?) but don't get it fucked up a nigga still roll up  
(?) pumped up and show a nigga tough love  
Maybe that bitch mya ya got the best of but now me  
niggaz  
My best move will be my next one  
Just cock me a gun nick name luck ton  
Coz it's about to hurt and nigga that sleep on it  
Can't sleep on this push hand made by (?)  
For 350 whole season no harness  
No conflict with diamonds man they all flawless  
Bitch speck when spoken to when round balers  
Bottom birds for the winter down south in neworlands  
Then head up top for some peach pickin in Georgia  
Name your price lil mamma I can fuckin afford ya  
Seen you home in new bitch all the hoe's will applaud  
ya  
Ignore ya before ya take a hit of that dose  
Why don't ya bring that arse a tad bit closer?  
I'm pose to get to know you better  
You know a nigga don't know no better  
How is rain in the brain in the death don't get a drop  
the roof  
On the range let the rain drops to us bitch stayin in your  
lane  
You don't know

(Chorus)

These niggaz don't really want it oh  
In the club bitches all up on us like  
(You so hot 4x)  
But these bitches don't really want me no  
They just want to be around a nigga coz  
(You so hot 4x)
