First off fuck the snitch and the unit he claim
Fuck Dre partial, and eminem
Plus the world heard it before, they tired of them
And they waiting for that thug shit from Rule' again
And Proof can bomb Proof your hummer then
Put a vest on yourself and your child-ren
Teach ya to be scared of death of them muderin'
Niggaz that like to put holes through chins'
In case y'all don't know about my savages
They'll kidnap you kid's, throw em over a bridge
