Play, turn up in my ear just a tad bit

Baby who got you twisted  
In a way that chu be missin  
The love that we share  
The time that was rare  
Sex drive at 50  
As we swerve on them shorties  
Goin through red lights  
Baby ain't that funny  
Now I ask you  
Now I need you  
Before you know it  
Ya girlfriends tryna reach you  
Am I twisted  
Cause you is my mistress  
Good and all  
Cause you be always there  
When I call

Your love  
Has got  
Me twisted, yeah  
Baby  
I will admit it, ooo  
The way I feel  
When I'm with you  
So every day of my life  
It feels like paradise

I can feel your footsteps in the wind  
I can smell your scent every now and then  
I can walk to a certain place  
And swore I just saw your face  
I know you say that you care  
Even though you're never there  
Boy, I swear I can taste your love in the air

Baby who got you twisted

Your love

Has got  
Me twisted, yeah  
Baby  
I will admit it, ooo  
The way I feel  
When I'm with you  
So every day of my life  
It feels like paradise

I know you say the things I do  
Aren't always right for you  
But I confess my love is true  
Cause my love is only for you  
I know you say that chu care  
Even though you're never there  
Boy, I swear I can taste your love in the air  
Yeah, yeah, yeah

That's just the way it is  
When you fall in love the right way  
Don't let this go  
And be on your own  
Cause I won't settle for nobody else

Baby who got you twisted

Your love  
Has got  
Me twisted, yeah  
Baby  
I will admit it, ooo  
The way I feel  
When I'm with you  
So every day of my life  
It feels like paradise

See everyday of my life  
Without you is critical  
I'm gettin confused  
I'm starting to lose  
My mind  
Remember the times  
We rived in the Porsche  
When the police  
And ended up sexin on the beach  
Them was good times  
And good livin  
Even the Lord is forgivin  
You can forgive the Ru for forbidden  
My heart to get involved wit it  
Just so cold

I need you to warm my soul  
Before I'm twisted

Your love  
Has got  
Me twisted, yeah  
Baby  
I will admit it, ooo  
The way I feel  
When I'm with you  
So every day of my life  
It feels like paradise
