Where would I be without my baby?
The thought alone might break me
And I don't wanna go crazy
But every thug needs a lady

Girl it feel like you and me been born in together
Inseparable you choose pain over pleasure
For that you'll forever be part of me
Mind, body and soul ain't no I in we baby
When you cry who wipes your tears?
When your scared you's tellin you?
There's nothin to fear
Girl I'll always be there
When you need a shoulder to lean on never hesitate
Knowin you can always call on your soul mate
And vise versa and that's why I'll always be the first to
See ya come and frost your wrist up
Now you owe me one
I know your tired of bein lonely
So baby gurl put it on me

CHROUS:

Where would I be without you
I only think about you
I know your tired of bein lonely
So baby gurl put it on me
x2

I appreciate the roks and gifts that you cop me baby
And the house on the hill where you dropped like 80
On the down payment
Thinkin damn ain't life gravy
And ever since for my honey I've been twice the lady
What would I do without the nights that you kept me
warm
When it's cold rule had a gurl
Cought in the storm
And accept who you with
When you caught in the wrong
And respect when you flip
Cause our love is strong
And when you hit the block i'll watch for 10/4

And when my pops is asleep
Just snook in the back door
Baby bo we been down since jr. high
So when life get hot as july
It's the world against you and I
We ballin tight together
And never part from the heart
Knew that it would last forever
When you told me you would never leave me lonely
So baby boy put it on me

CHROUS

Since we met it's been you and I
A tear for a tear
Baby eye for an eye
And you know that my heart gona cry
If you leave me lonely
Cus you not just my love you my homie
Who's gonna consoul me, my love
I'm outta control hold me, my love
Cause I'm yours
And I don't wanna do nothin to hurt my baby gurl
If this was our world it'd be all yours baby
The thought alone might break me
And I don't wanna go crazy
Cause every thug need a lady
I feel you baby gurl them eyes ain't lie
Wash away all the tears
There be no more cryin baby
And you complete me and
I would die if you ain't with me
So baby gurl put it on me

CHROUS
