Uhh, yeah , uhh, uhh
It's Ja Rule, baby, it's E-Dub
Yeah, Def Squad, uh

Y'all motherfuckers think it's a game right?
Get da name right, R U L E baby
My shit is airtight, compressed, dead all da nonsense
Pass da 4-5th and load up the cartridge, E reved up da
6
We about to blow out like bitchez wit bad kidz
Once you feelin' da slugz hit, datz as real as it gets

Then you wonder why da quake can come from
underneath
While you figure it out, you on da streetz
Laid out wit da gun still stuck in yo mouth
Fuckin' wit Ja is somethin' niggaz fearfully doubt
'Cuz I don't give a fuck, I don't give a fuck

God, may I ask from yo prayer so my soul don't die
These is real tears I cried and dreamz don't lie
When they tell me dat I'm doin' good in da devilz eyes
But I preach to him, be dat same nigga, put da heat to
him
Askin E Dub what da fuck you wan' do to him

E-Dub and Ja, an eye for an eye, gat for gat
Peep game, cover the mic and spit flames
Two cats who come strapped, self contained
Ain't shit this raw since big daddy Kane

Heavyweight, I knock a nigga out in two
Put him to sleep, see dreamz and swear it wasn't true
Look at you, lame, I'm iller, rhyme killa
Comin' thru like da return of Godzilla

Now can I tell ya, E and Ja, top dogz, Def Squad
Fuckin' wit us is like suicide
Bow down, real niggaz on da move, comin' thru, blazin'
you
'Cuz we are livin' life
Thug style, Hennesey, blazin' trees

Gettin' g's indeed 'cuz we will do or die
Right now by any means, words is bond, word is bond

Ain't nobody touchin' da ground dat I walk on
My love is just so strong, if you crossin' me, you dead
wrong
And you know 'cuz you feel it in yo heart, nigga
And you don't sleep 'cuz yo soul might fall apart, nigga

If you feelin me now, the strength got you settlin' down
We puttin' in work, in otha words we puttin' in rounds
Take two for now, Ja and E-Dub
Strictly for the love, we fuck hoez and bust slugz, nigga

Why in da world would you put me in da position
To put niggaz out of commision, love, willin' and
wishin'?
'Cuz I'm feelin' the need to cut off da air dat you
breathe
By any means, it's Ja and E, no in between

Now we move agile, you and yo niggaz is fragile
Like glass and UPS boxes, shit, watch this
Still housin', the year 2000's now
So fear this or we in yo face niggaz, blah

Now can I tell ya, E and Ja, top dogz, Def Squad
Fuckin' wit us is like suicide
Bow down, real niggaz on da move, comin' thru, blazin'
you
'Cuz we are livin' life
Thug style, Hennesey, blazin' trees
Gettin' g's indeed 'cuz we will do or die
Right now by any means, words is bond, word is bond

Now what I love is to see my niggaz on top
And I feel that we can't be stopped
And my life don't mean shit to me
But my life gon' make history

Feel me, a nigga ain't supposed to be
As deadly and you ain't even close to me
Respect me, 'cuz we livin' dangerously
Love me 'cuz y'all can't even fuck wit me

Now can I tell ya, E and Ja, top dogz, Def Squad
Fuckin' wit us is like suicide
Bow down, real niggaz on da move, comin' thru, blazin'
you
'Cuz we are livin' life
Thug style, Hennesey, blazin' trees

Gettin' g's indeed 'cuz we will do or die
Right now by any means, words is bond, word is bond,
uhh
