Seeking, hoping, trying to be who you want
Fearful, thankful, able to see a difference, oh, oh

Change my name
Change my name
I left myself and you remain
Change my name

Come and take away my breath

Break it, burn it, I know that you've always hated it
It's hard to say it, but I love you more than all of this
I love you more than this

Change my name
Change my name
I left myself and you remain
Change my name
I change my name

When it's all lost, I find a freedom
When it's all gone, I find a light
So give me a name and I'm yours forever
Oh, give me a name and I'm yours
I'm yours

Change my name
Change my name
I left myself, I'm not the same
I left myself in yesterday
I left myself and you remain
Change my name
Change my name
