Act one has just begun
But I've seen the end
He's going to get your heart
Which you won't defend

Those wedding bells
Are locked inside your head
But can't you see
You're flirting with the dead

You're falling asleep
Oh girl, he can't be in your dreams
Wake up and believe
Oh girl, don't trust your fantasy

That stage was built to break
For that fling will fail
Fear not you have not lost
Love's left a trail

Those wedding bells
Are locked inside your head
But can't you see
You're flirting with the dead

You're falling asleep
Oh girl, he can't be in your dreams
Wake up and believe
Oh girl, don't trust your fantasy

Those wedding bells
Are locked inside your head
But can't you see
You're flirting with the dead

You're falling asleep
Oh girl, he can't be in your dreams
Wake up and believe
Oh girl, don't trust your fantasy

You're falling asleep
Oh girl, he can't be in your dreams

Wake up and believe
Oh girl, don't trust your fantasy
