Am I but a coward walking down the yellow brick road?
Where's my megaphone?
Am I but a scarecrow running from the seed that I
sowed?
Where's my megaphone? Where's my megaphone?

Truth moves at the speed of sound
Truth moves at the speed of sound
Truth moves at the speed of sound

Am I but a mirror-flattering, the fairest of them all?
Where's my megaphone?
Am I but a princess wearing a disguise to the ball?
Where's my megaphone? Where's my megaphone?

Truth moves at the speed of sound
Truth moves at the speed of sound
Truth moves at the speed of sound

Where's my megaphone? Where's my megaphone?
Where's my megaphone? Where's the megaphone?

Truth moves at the speed of sound
Truth moves at the speed of sound
Truth moves at the speed of sound

Where's my megaphone? Where's my megaphone?
