My heart is craving  
A little revelation  
Oh, so much sweeter  
Than my imagination

I'm telling my heart  
Catch the sunlight with a spoon  
I've only tasted  
Your reflection off the moon

My heart is moved by  
A higher expectation  
Of something sweeter  
Than all of creation

I'm telling my heart  
Catch the sunlight with a spoon  
I've only tasted  
Your reflection off the moon

I'm telling my heart  
Catch the sunlight with a spoon  
I've only tasted  
Your reflection off the moon

Every time I blink you'll see it  
May I have one glimpse of you  
And every time I breathe you'll hear it  
May I have one word from you

I'm telling my heart  
Catch the sunlight with a spoon  
I've only tasted  
Your reflection off the moon

I'm telling my heart  
Catch the sunlight with a spoon  
I've only tasted  
Your reflection off the moon

I'm telling my heart  
I'm telling my heart

I'm telling my heart
