you couldn't find another way to make it one more day,
just when things got rolling. i think if you'd search your
mind, you'll find that it's all right sometime to make
mistakes. some people laugh at dreamers, but we're
not that at all, if the past years were dreaming, then
sleep is all i want. sinatra's life was singing "scob-ba-
do-doobie-doobie-da-do-da" i think what he was
saying, is that the only thing to do is take a chance. live
all your days like they're your last, cause it goes by so
fast. can't go back, just move forward, you'll never
know the thing you could have been. it's hard to win
from the sidelines, and if you lose at least you played,
then you can say "i'll start another game someday".
some ties they bind, most people bleed, like death and
life for some, it's never up to me. look at my hands...
quivering, it's up to me
