Can ya feel the beat
Can ya
Can ya feel the beat
Can ya feel the beat
Can ya
Can ya feel the beat
Can ya feel the beat within my heart
Can't ya see my love shine through the dark
Can ya feel the beat

You can see at the be you can be the see either
way me creep we stay in the streets.....

[CHORUS]

Move your body girl
Makes the fellas go
The way you ride it girl
Makes the fellas go Ooh
[2X]

Roll up in the club looking fly
Made your first approach
And caught his eye
Slowly move your way towards the dance floor
Grab her hand
And she whispered
Hold my hip
Got in the groove
Stand behind me
Let me grind with you
If I lick my lips
I'm prob'ly feeling you
Imma make you go ooh

[CHORUS]

Whoo (you feelin' it now)
Take it slow
Your turning me on
Club gets warmer
Body moves closer
One with the rhythm
Don't stop moving

You're making me
HOT!
From head to toe
I feel your flow
Vibe gets stronger
Party seems longer
Makes me really wanna
Don't stop moving
You're making me
HOT!

[CHORUS]
[4X]

Can ya feel the beat
Can ya
Can ya feel the beat
Can ya feel the beat
Can ya
Can ya feel the beat

Can ya feel the beat within my heart
Can't ya see my love shine through the dark

Can ya feel the beat
Can ya feel the beat within my heart
Can't ya see my love shine through the dark
Can't ya see the dream must be a part
Of that beat in my heart

[CHORUS]
[4X]
