I remember when u were mine  
U where kind 'n' u were fine  
I did wrong I wounded u  
But now I wanna do  
VERY MUCH FOR U  
Chorus:  
I love u much more than u love me  
It is so strange coz I do so much for u  
I love u much more than u love me  
I know that u know that I fuck u  
I remember when I wrote a letter  
I wrote that I should be better  
I wrote a letter I should be better  
But u just say:  
IT'S NOT OK  
Chorus:  
I love u much more than u love me

It is so strange coz I do so much for u  
I love u much more than u love me  
I know that u know that I miss u  
I remember my suicide  
Now I sit in heaven 'n' cry  
I did wrong I wounded me  
And now I wanna be  
A HUMAN AGAIN  
Chorus:  
I love u much more than u love me  
It is so strange coz I do so much for u  
I love u much more than u love me  
I know that u know that I love u
