[Yelling - Karyn:]

I'm not looking for a love song, no way! No way!
I'm not looking for a sad song, today! Today!

[Jace:]

I-I-I told you from the start to get back in line
I'd say the same fucking thing every single time
But you never listen 'cause it falls on deaf ears
So before I say it any louder, come here

[Karyn:]

Let me tell you how it goes (don't you disobey)
I'll let you know I run this show (don't you forget)
Let me tell you how it goes (don't you disobey)
I'll let you know I run this show (don't you forget)

[Katrina:]

I'm about to blow blow, gonna gonna explode
'Cause my boyfriend's been a bitch and I need to
fucking let go!
I'm about to blow blow, gonna gonna let you know
Because he's been a cunt, I turned out a lesbo!

(Ha ha ha... and you love it too!)

[Jace:]

Y-Y-You should know by now that I get what I want
I could get away with murder and I'd never get caught

[Katrina:]

But if you disobey, punishment will be ensued
And trust me boy, you don't want my whip cracked on
you

[Karyn:]

Let me tell you how it goes (don't you disobey)
I'll let you know I run this show (don't you forget)
Let me tell you how it goes (don't you disobey)
I'll let you know I run this show (don't you forget)

[Yelling - Katrina:]

Let me tell you something, listen right here!
All you pansy little boys, run with fear!

I take my shit to high wire and when it's said and done
I end up on top of the charts with another number one!

[Jace:]

I-I-I I told you from the start to get back in line
I'd say the same fucking thing every single time
But you never listen 'cause it falls on deaf ears
So before I say it any louder, come here

[Vocoder:]

One two three four it's about to crash and burn
One two three four some people never learn
