

Jace Clemson "Leave You"

Visit "[Leave You](#)" on MotoLyrics.com

Don't even tell me you've found better
You're only fooling yourself
It's useless that you say I need to die
Because deep inside you know I'm right
Modesty was never my thing
And if was you wouldn't hate me
I won't who I am for you
That's one thing I just won't do

[Chorus:]

So I say to myself "What does she want?"
But I don't care about what you've got
You're nothing I need
And lust isn't my thing
Separating myself from you is the only thing I'll do
So grateful I got the strength to leave you

Turn on the radio and guess what I hear
Another song to remind me of your fear
Breakup songs were never your thing
All you want to do is haunt me
Well I'm breaking free
And I'm no longer on my knees

[Chorus:]

So I say to myself "What does she want?"
But I don't care about what you've got
You're nothing I need
And lust isn't my thing
Separating myself from you is the only thing I'll do
So grateful I got the strength to leave you

I don't have a care left about this
Everyone is so sick of your shit
We don't have a happy ever after
And I get all the last laughter

[Chorus:]

So I say to myself "What does she want?"
But I don't care about what you've got
You're nothing I need
And lust isn't my thing

Separating myself from you is the only thing I'll do
So grateful I got the strength to leave you

[Chorus:]

So I say to myself "What does she want?"
But I don't care about what you've got
You're nothing I need
And lust isn't my thing
Separating myself from you is the only thing I'll do
So grateful I got the strength to leave you
