Your excuses are covered in lies  
Bringing you down to your demise  
I've never seen your selfless side  
So shut up now and stand up right  
No one's here to play your games  
Don't open your mouth and don't complain

[Chorus:]

You keep telling me what you want me to hear  
But the truth has become pretty damn clear  
No one's here to run in shame  
You're just a Nazi of tainted fame

(That's right, you're all the same)

A waste of life's precious space  
Now you always hide your face  
I can't help but be soaked in hate  
A better word to define is rage  
No one will take your demands  
Life's not in the Devil's hands

You keep telling me what you want me to hear  
But the truth has become pretty damn clear  
No one's here to run in shame  
You're just a Nazi of tainted fame

Take this to your grave  
Take this to your grave  
No one is your little slave  
No one is your little slave  
Crack the whip, I'm never tamed

You keep telling me what you want me to hear  
But the truth has become pretty damn clear  
No one's here to run in shame  
You're just a Nazi of tainted fame

You keep telling me what you want me to hear  
But the truth has become pretty damn clear  
No one's here to run in shame  
You're just a Nazi of tainted fame
