Every day, everything is changing
The plans go through metamorphosis
Try to run away with no escaping
Barbie doll girls in lusty poses
And we're all drawn to it like nothing else
When all we're creating is a brand new hell

[Chorus:]

Give your own dignity away
Sell yourself like just another slave
You say you'll need somebody there
But I'm so gone like a phoenix in the air

Watch me as I tell you something real
I know you're not used to it, but soon you'll get the feel
Alibi, take a check for your next man
Getting a new idiot to slip into your plan
(Well he isn't going to be me)

Give your own dignity away
Sell yourself like just another slave
You say you'll need somebody there
But I'm so gone like a phoenix in the air

Give your own dignity away
Sell yourself like just another slave
You say you'll need somebody there
But I'm so gone like a phoenix in the air

If you say that I am, I'm not
You play with fire, the burning's hot
You said you're lucky, you're not
I'm the lottery's winning slot
(Too bad you can't have me)

Give your own dignity away
Sell yourself like just another slave
You say you'll need somebody there
But I'm so gone like a phoenix in the air

Give your own dignity away
Sell yourself like just another slave

You say you'll need somebody there
But I'm so gone like a phoenix in the air
