Don't expect me to give a fuck what you say  
I always shake it off and move, move on  
Your hopes of me changing and going your way  
Are so over, diminished, and very long gone

Healing is for quitters  
Healing is for quitters  
Healing is for quitters  
Healing is for quitters

[Chorus:]

Top-spot rocker who was born in L-D-N  
You'd be so much cooler if you were from England  
Until they die, my records will never end  
Listen here bitch, you don't even wanna start  
I'm proud to admit I'm the boy without a heart

This is how it works when the critics only praise  
If it's payola you're expecting, you're gonna have to wait  
I don't give it away for free, I'm not extortions  
Rehab said I should spend it on stuff I can't be snortin'

Healing is for quitters  
Healing is for quitters  
Healing is for quitters  
Healing is for quitters

Top-spot rocker who was born in L-D-N  
You'd be so much cooler if you were from England  
Until they die, my records will never end  
Listen here bitch, you don't even wanna start  
I'm proud to admit I'm the boy without a heart

Raise a glass of champagne to every single time  
I got fucking wasted, oh wait, that's all the time

Top-spot rocker who was born in L-D-N  
You'd be so much cooler if you were from England  
Until they die, my records will never end  
Listen here bitch, you don't even wanna start  
I'm proud to admit I'm the boy without a heart

Top-spot rocker who was born in L-D-N  
You'd be so much cooler if you were from England  
Until they die, my records will never end  
Listen here bitch, you don't even wanna start  
I'm proud to admit I'm the boy without a heart
