Well my ways were always wicked  
And I never did believe  
That I could ever change  
But my angel loves the devil outta me

Never was that much for praying  
Then she brought me to my knees  
Now there's no shakin' my faith  
My angel loves the devil outta mne

I'm singin glory hallelujah, can I get an AMEN!  
Her lovin' feels so good, it oughta be a sin  
I was lost but now I'm found  
Blind but baby now I see  
My angel loves the devil outta me

Well now she's my kinda heaven  
Cos she knows, knows just what I need  
Lord I swear that I've been saved  
My Angel loves the devil outta me

I'm singin glory hallelujah, can I get an AMEN!  
Her lovin' feels so good, it oughta be a sin  
I was lost but now I'm found  
Blind but baby now I see  
My angel loves the devil outta me

Show me a man that's a good woman, show me  
Show me a man that's a good woman, show me  
I'll show you a man who's finally learned how to sing  
Show me a man,  
Show me a man that's a good woman  
I'll show you a man who's finally learned how to sing  
Sing, sing  
I'm singin glory hallelujah, can I get an AMEN!  
Her lovin' feels so good, it oughta be a sin  
I was lost but now I'm found  
Blind but baby now I see  
My angel loves the devil outta me  
My angel loves the devil outta me  
My angel loves the devil outta me
