One, two, one, two, three, four
Tonight give me something I can use
We're driving ourselves mad soaking the same ol'
blues
Go into the store, take a bottle off the shelf
(C'mon, c'mon, c'mon, c'mon)
Rush back home, crawl in bed, pour that bottle all over
yourself
(C'mon, c'mon, c'mon, c'mon)
We're gonna get a little sticky, get a little weird
Making my old woman let me know we're still here
Get a little action, I don't care what it is
I know, there's more to life than this
I know, there's more to life than this
Alright, listen, fold up that card table
We're gonna need the extra space
Baby, take off that apron
Throw that apron in the fireplace
Do you know what day it is
(C'mon, c'mon)
Or do I have to tell you again?
(C'mon, c'mon)
It's the second Friday of the month, baby
(C'mon, c'mon)
And I ship come in
(C'mon, c'mon)
We're gonna get a little sticky, get a little weird
Making my old woman let me know we're still here
Get a little action, I don't care what it is
I know, there's more to life than this
Get a little sticky, get a little weird
Making my old woman let me know we're still here
Get a little action, I don't care what it is
I know, there's more, there's more to life than this
There's more to life than this
Turn off that TV, baby
Just turn it off, gonna make our own
Baby, turn it off, open a window
Stick your head out, let 'em know
We're here, there's more to life than this
(C'mon, c'mon, c'mon, c'mon)

There's more to life than this
(C'mon, c'mon, c'mon, c'mon)
I know
(C'mon, c'mon, c'mon, c'mon)
I'm sick of this town
(C'mon, c'mon, c'mon, c'mon)
Ain't no reason for me and you to stick around
(C'mon, c'mon, c'mon, c'mon, c'mon, c'mon)
Don't even get your shit, let's just go
(C'mon, c'mon, c'mon)
