Everybody watching you  
Walking through the door  
You don't even notice me  
It makes me want you more

The earth is rushing through my veins  
Moonlight on the window pane  
Lovers moving 'cross the floor  
Children waiting to be born

Possession  
Nobody owns me  
Come and claim it, babe  
I'll be your possession

If you don't want me to yourself  
What's a boy to do?  
I'll be your one and only, girl  
I'll be your substitute

Make it dirty, make it clean  
Make it quick or make a scene  
But why you wanna make me wait?  
Hurry baby, don't be late

Possession  
Why don't you own me?  
Name it and claim it, babe  
I'll be your possession

Possession  
Come on and own me  
Name it and claim it, babe  
I'm your possession

The earth is rushing through my veins  
Moonlight on the window pane  
Lovers moving 'cross the floor  
Children waiting to be born

I want you, I need you

I'll be your possession
