I had to pack it up, yeah I just wasn't worth a dime
today
Boss won't miss me much, hell I wasn't really there
anyway
Yeah I've been lost in your arms and your touch and
your kiss
Since I left you at 6 a.m., 'cause that's the kinda love
I'm in
That's the kinda love I'm in

Yeah I was makin' good time, couldn't wait to get here
to you
Oh man I was flyin', when my front right in a right back
blue
And I probably shoulda stopped
Probably looked like a fool tearin' up these 400 dollar
rims
But that's the kinda love I'm in, yeah

And nobody's ever wanted nobody, the way that I want
you
Yeah and there's somethin' 'bout every little thing
about you
There's nothin' I wouldn't do
Wanna stand for you, fall for you, live for you, die for
you
Don't want you out from under my skin
'Cause that's the kinda love I'm in, that's the kinda love
I'm in

Yeah, I can't turn it off, why would I if I could?
Man I love the thought of you on my mind for good
And bearin' my soul with the truth like this
Might be steppin' out there, too far on a limb
But that's the kinda love I'm in

'Cause nobody's ever wanted nobody, the way that I
want you
And there's somethin' 'bout every little thing about you
There's nothin' I wouldn't do
Wanna stand for you, fall for you, live for you, die for
you

Don't want you out from under my skin, 'cause that's
the kinda love I'm in
That's the kinda love I'm in, that's the kinda love I'm in
That's the kinda love
