Baby lock the door and turn the lights down low
Put some music on that's soft and slow
Darlin we ain't got no place to go
I hope you understand

I been thinkin' bout this all day long
Never had a feeling quite this strong
I can't believe how much it turns me on
Just to be your man

There's no hurry don't you worry,
We can take our time
Come a little closer, let's go over,
What I've got in mind

Baby lock the door and turn the lights down low
Put some music on that's soft and slow
Darlin we ain't got no place to go
I hope you understand

I been thinkin' bout this all day long
Never had a feeling quite this strong
I can't believe how much it turns me on
Just to be your man

There's nobody, ever loved nobody the way that I love
you
We're alone now, you don't know how long I've wanted
to..

Baby lock the door and turn the lights down low
Put some music on that's soft and slow
Darlin we ain't got no place to go
I hope you understand

I been thinkin' bout this all day long
Never had a feeling quite this strong
I can't believe how much it turns me on
Just to be your man
I can't believe how much it turns me on
Just to be your man
