From the moment You opened up my eyes
I have seen the world in a different light
From the dawn to the setting sun
I am overwhelmed
By all that You have done, haa

Adore, adore, adore
Jesus I adore You, ooh
Adore, adore, adore, adore
Jesus, I adore You
And I lay my life before You, oh Lord

There's a union of two becoming one
Deep inside my hearts I know that I belong
You have given everything to me
The least that I can do
Is give it back to You, ooh
And all I am and ever will be
Is for You, Lord
And everything within me cries

Adore, adore, adore
Jesus I adore You, ooh
Yes, I adore, adore, adore, adore
Jesus I adore You
And I lay my life before You, oh Lord, ooh

Aaa, yea
Adore, adore, adore
Jesus I adore You, hoo
Yes, I adore You
And I lay my life before You

Adore, adore, adore, adore, adore
Jesus, I adore You
And I lay my life before You
I long to love and adore You
Yes, I lay my life before You, oh Lord
I adore You, ooh
