Al mundo dios am, que a su hijo Ã©l nos di
Y todo aquel que creyera en Ã©l
No perezca ms tenga vida eternal

He tratado de hallar palabras que decir
Y hacerte conocer a un dios de gran poder
Nada puede en este mundo comparar
Con la paz que siente tu alma cuando Ã©l en ti est

Si yo s que difcil es de contemplar dejarlo todo
Y confiar solo en Ã©l
Si yo s que es la verdad
Que su amor es para ti
Toma su palabra y ves lo que Ã©l har

Ã©l es fiel con sus promesas, tomando su mano
Seguro estars

Hay que dar ese paso de fe
Ã©l te ve, te ayudar y paz Ã©l te dar

Vida eternal, vida eternal, al mundo dios am
Que crea en Ã©l, que crea en Ã©l
Ã©l te ama mucho
Ã©l te quiere

Literal english translation of al mundo dios am
(the world God loved)
Translated by computer and edited by adam agonis

The world God loved
That he gave us his son
That everyone who believed in him
Will not perish but has eternal life

I have tried to find words to say
To make you know a God of great power
Nothing can in this world compare
With the peace that you feel inside when he is in you

Yes, I know that it is difficult to consider leaving
everything
And to trust only him
Yes, I know that it is the truth
That his love is for you
Take his word and you see what he will do

He is faithful with his promises, taking his hand
You will be safe

It is necessary to take that step of faith
He sees you, he will help you and he will give you
peace

Eternal life, eternal life, for God sp loved the world
To believe in him, to believe in him
He loves you so much
He wants you
