Ha yeah, yeah yeah
Woo hoo hoo

Tell me have you ever been
On the outside looking in
Well it's a cold and lonely place
Out from under Heaven's grace

Did you ever wonder why?
Or did it ever make you cry?
Tears of joy when you found out
What His love is all about

It's the water that I need
It's the air that my heart breathes
And I have come to realize
Love is keeping me alive

In the shelter of your arms I've found
The center of your love is where I'm free

And I just want to be in the center of your love
Yeah that's all I'm thinkin' of
Whoa I just want to know
How your love is with me everywhere
Your love is with me everywhere I go
(Everywhere I go)

There is nothing I can see
That the world can offer me
What could possibly compare
To your tender loving care?

You're the only one I've found
Who can make my world go 'round
'Cause it's only at your side
Where there's meaning in my life

All that's in this world has let me down
But you are all that matters to me

And I just want to be in the center of your love

Yeah that's all I'm thinkin' of
Whoa I just want to know
How your love is with me everywhere
Your love is with me everywhere I go

Hoo, hoo, hoo, hoo
Yeah, yeah, yeah

In the shelter of your arms I've found
The center of your love is where I'm free

I just want to be in the center of your love
Yeah that's all I'm thinkin' of
Whoa I just want to know
How your love is with me everywhere
Your love is with me everywhere I

I just want to be in the center of your love
Yeah that's all I'm dreamin' of
Whoa I just want to know
How your love is with me everywhere
Your love is with me everywhere I go
