Dime si me escuchas
Como yo te escucho
Me llegan tus respuestas
En este mundo oscuro

Oh, por el que vagamos, buscando algún sol
Que nos dé la vida, que encienda nuestro amor

Dentro está tu voz, llamando
Dentro está tu voz al fin
Dentro está tu voz, guiando
Dentro está tu voz hablando en mí

A veces oigo el eco
De mi llanto al brotar
Me nace desde adentro
Una fuerza especial

Oh, callan mis sueños y duerme mi mirar
Pero en mi interior, tu dulce voz se vuelve a oír

Dentro está tu voz llamando
Dentro está tu voz al fin
Dentro está tu voz guiando
Dentro está tu voz hablando
Dentro está tu voz llamando
Dentro está tu voz al fin
Oh no...

Dentro está tu voz
Dentro está tu voz
Dentro está tu voz
Dentro está tu voz

Dentro está tu voz llamando
Dentro está tu voz al fin
Dentro está tu voz guiando
Dentro está tu voz, hablando en mí

Dentro está tu voz
Dentro está tu voz
Dentro está tu voz
Dentro está tu voz
Oh...la...la...
Dentro está tu voz
Oh...la...la...
Dentro está tu voz
Oh...la...la...

Dentro está tu voz
Dentro está tu voz
Dime si me escuchas...ah...
Literal english translation of dentro está tu voz
(inside is your voice)
Translated by computer and edited by adam agonis
Tell me if you hear me
As I listen to you
Bring your answers to me
In this dark world

Oh, for it we wonder, searching for some sun
That gives the life us, that ignites our love

Inside it is your voice calling
Inside is your voice of reason
Inside is your voice guiding
Inside is your voice speaking within me

Sometimes I hear the echo
Of my weeping is appearing
Is born to me from inside
A special force

Oh, they shut my dreams and [forced?] me to watch
But within me, your sweet voice returns to [for me]
hear

Inside it is your voice calling
Inside is your voice of reason
Inside is your voice guiding
Inside is your voice speaking
Inside it is your voice calling
Inside is your voice of reason
Oh no...

Inside it is your voice
Inside it is your voice
Inside it is your voice
Inside it is your voice

Inside it is your voice calling
Inside is your voice of reason
Inside is your voice guiding
Inside is your voice, speaking in me

Inside it is your voice
Inside it is your voice
Inside it is your voice
Inside it is your voice
Inside it is your voice
Oh...la...la...
Inside it is your voice
Oh...la...la...
Inside it is your voice
Oh...la...la...

Inside it is your voice
Inside it is your voice

Tell me if you hear me...ah...
