Al fin hall? eterno amor
Mi coraz?n dice que es verdad
Oh, he viajado por el mundo entero
Solo para encontrar tu amor

Tu inmenso amor me llena hoy
Es mucho mas que el mundo puede dar
Que, diste tu vida por mi en la cruz
Amor asi, como puedo resistir
Por eso canto...

Eres la luz, que yo buscaba
Mi salvador, mi protector
Eres verdad, mi fortaleza
Due?o de mi coraz?n, (mi coraz?n)

Cuando viene la oscuridad
Pues, de la mano me levantar?s
Y con brazos abiertos siento la paz
Sin tu amor no podr?a yo vivir...(no)

Precioso amor, oh mi Se?or
Como puedo yo explicar,
Por eso canto...

Eres la luz, que yo buscaba
Mi salvador, mi protector
Eres verdad, mi fortaleza
Due?o de mi coraz?n, (mi coraz?n)

Tu gran amor, por mi
Mi gran amor, por ti
Nosotros, tu y yo
Conquistaremos

Por ti quiero vivir
Y solo pienso en ti
Eres el due?o, de mi coraz?n...

Oh, tienes que sentir
Oh, tienes que saber

De este amor que corre, de los cielos
Amor encontrar?
Ayuda te dar?
El es la vida y verdad

English Translation:
At last I found eternal love
My heart says that this is true
Oh, I have traveled through the world
Only to find your love

Your immense love fills me today
It's much more than the world could ever give
That you gave your life for me on the cross
How can I resist love like that
For this I sing

You are the light which I looked for
My savior, my protector
You are the truth, my fortress
Owner of my heart (my heart)

When the darkness fell
You took my hand and raised me up
And with open arms you gave me peace
Without your love I would be unable to live.

Precious love, oh my Lord
How can I explain
For this I sing...

Your great love for me
My great love for you
We, you and I
We will conquer.

I want to live for you
And think only of you
You are the owner of my heart

Oh, you have to feel
Oh, you have to know
Of this love that streams from the heavens
You will find/encounter love
He will give you help
He is the life and the truth.
