Aah, la, la, la, ah-la la la la (la la)
Aah, la, la, la, ah-la la la la

You are the one, theres no one else
Who lifts me up and gives me water from the well.
But theres a hole that seems to drain it all away.
And once again Im left in fear and doubt
When all my strength is crying out.

So, here I am again
Willing to be opened up and broken like a flower in the
rain.
Tell me what have I to do to die and then be raised,
To reach beyond the pain like a flower in the rain?

Aah, la, la, la, ah-la la la la

The evil wind, (ooh) it blows a storm to rock my world
(aah)
Just when think Im safe and warm.
Im led astray far too easily.
Its always hard for me to say Im wrong,
Until I know I cant go on.

So, here I am again
Willing to be opened up and broken like a flower in the
rain.
Tell me what have I to do to die and then be raised,
To reach beyond the pain like a flower in the rain?

Lord, you have searched me and know
When I sleep and when I rise.
Youre familiar with all my ways.
Even the darkness will shine
Like the day when you look into my heart.

So, here I am again
Willing to be opened up and broken like a flower in the
rain.
Tell me what have I to do to die and then be raised,
To reach beyond the pain like a flower in the rain,
Like a flower in the rain?
