I want to cross a border line,
And walk on dusty floors,
Give up two weeks of my life,
Feed the hungry, clothe the poor.

I want to drive up to a homeless man,
Oh, holding up a sign,
Hand him my only twenty,
God Bless him as I say goodbye,
But more than this.

Chorus:

I wanna give 'em hope,
I wanna give 'em peace,
I wanna give the greatest of these,
give 'em love, love,
I wanna tell the truth and lead them to the light,
And tell them everything will be alright,
Give them love, give them Jesus.

I wanna walk through something with someone,
I wanna listen to their pain,
Oh, I'll be a shoulder they can cry on,
A friend who'll never walk away,
But more than this.

Chorus:

Bridge:

I want to change the world,
Make it a better place,
But is it really,
Better if they never really know,
Really know,
Real hope,
Real peace,
Or the greatest of these,
Real love, love.

Chorus:
