Sometimes it feels as though my life is like a test
With expectations that I've got to be the best
Feel like everybody's always watching
One little slip gets people talking

So many unkind words are spoken
You see my heart is hurting, but it's still open
I have no other choice but
To let you see, so

Come on in 'cause I know I can take it
You can throw those stones
Even though I may be fragile
You're not gonna see me shatter

'Cause I know who I am and I won't fake it
I'm gonna take a stand
'Cause it's my faith that keeps me strong
The light is on in my glass house

So tomorrow morning when we step outside our castle
We think before we let the judgment calls unravel
Our Savior said to love each other
Why must we go on hurting one another

Though it may be easier to run and hide

I'm gonna let you in 'cause I can take it
You can throw those stones
Even though I may be fragile
You're not gonna see me shatter, no

'Cause I know who I am and I won't fake it
I'm gonna take a stand
'Cause it's my faith that keeps me strong
The light is on

May I always find a way to give compassion
And remember how it hurt
When someone else's world is crashing
Lord I pray for love, yeah

Come on in 'cause I know I can take it
You can throw those stones
Even though I may be fragile
You're not gonna see me shatter, no

'Cause I know who I am and I won't fake it
I'm gonna take a stand
'Cause it's my faith that keeps me strong

Well I'm gonna let you in 'cause I know I can take it
You can throw those stones
Even though I may be fragile
You're not gonna see me shatter, no

'Cause I know who I am and I won't fake it
I'm gonna take a stand
'Cause it's my faith that keeps me strong
The light is on in my glass house
