sometimes in and out of sleep
dreaming the same dream
talking without talking
berries and whipped cream
sunlight across the messy bed
all the words we have said
morning to late afternoon
gazing at the moon
the "do you remember when's"
all the places that we've seen
pictures of you and me on the floor

all my walls have disappeared
listen to your heart beat it goes
"boom, boom"
oh I'm happy right now
want to stay right here

oh, it comes so easily
we can hide away
and hold on to this moment
and hold on to this...
wish we could show the world
and write it across the sky
and follow the sunset
you and I.....

oh I'm happy right now
want to stay right here
'cause I want to near

oh, it comes so easily
we can hide away
and hold on to this moment
and hold on to this moment
hug and a kiss and drive away ("
