Lord, I'm in the dark,
Seems to me the line is dead when I come calling.
No one there, the sky is falling;

Lord, I need to know.
My mind is playing games again,
You're right where you have always been.

Take me back to you,
The place that I once knew as a little child;
Constantly the eyes of God watched over me.
Oh, I want to be
In the place that I once knew as a little child,
Fall into the bed of faith prepared for me.

I will rest in you,
I will rest in you,
I will rest in you.

Tell me I'm a fool,
Tell me that you love me for the fool I am,
[and*] comfort me like only you can,
And tell me there's a place
Where I can feel your breath
Like sweet caresses on my face again.

Take me back to you,
The place that I once knew as a little child;
Constantly the eyes of God watched over me.
Oh, I want to be
In the place that I once knew as a little child,
Fall into the bed of faith prepared for me.

I will rest in you,
I will rest in you,
I will rest in you.

I will rest in you,
I will rest in you,
I will rest in you.

La la la la you.

La la la la la.
La la la la la-ah.
(you,) you la la la la you.
La la la la la-ah. (you.)

Take me back to you.
The place that I once knew as a little child;
Constantly the eyes of God watched over me
Oh, I want to be
In the place that I once knew as a little child,
Fall into the bed of faith prepared for me.

I will rest in you,
I will rest in you,
I will rest in you.

I will rest in you,
I will rest in you,
I will rest in you.

Oh, la la la la la
I will rest in you.
(I) I will rest in you. (in you)
I will rest in you. (sweet caresses)
I will rest in you.
I will rest in you.
(so take me back to you)
I will rest in you (i, I)
I will rest in you.
