As long as stars shine down from Heaven
And the rivers run into the sea
Till the end of time, forever
You're the only love I'll need

In my life You're all that matters
In my eyes the only truth I see
When my hopes and dreams have shattered
You're the one that's there for me

When I found You I was blessed
And I will never leave You, I need You

Imagine me without You
I'd be lost and so confused
I wouldn't last a day
I'd be afraid without You there to see me through

Imagine me without You
Lord, You know it's just impossible
Because of You, it's all brand new
My life is now worth while
I can't imagine me without You

When You caught me I was falling
Your love lifted me back on my feet
It was like You heard my calling
And You rushed to set me free

When I found You I was blessed
And I will never leave You, I need You

Imagine me without You
I'd be lost and so confused
I wouldn't last a day
I'd be afraid without You there to see me through

Imagine me without You
Lord, You know it's just impossible
Because of You, it's all brand new
My life is now worth while
I can't imagine me without You

When I found You I was blessed
And I will never leave You, I need You

Imagine me without You
I'd be lost and so confused
I wouldn't last a day
I'd be afraid without You there to see me through

Imagine me without You
Lord, You know it's just impossible
Because of You, it's all brand new
My life is now worth while
I can't imagine me, I can't imagine me without You
