Verse 1:

Funny how we say it's gonna be ok
But funny isn't always humorous
It's sunny in the dark and dark in the day
And somehow we hope it will be alright
We'll make it to the night

Chorus:

Hold on I would miss you so much
Don't go over something so little
You're wrong cause I finally see
It's not you, it's me
It's not you, it's me

Verse 2:

Funny how you're still my sweet fairytale
Funny how you're still my dream
It's crazy how you can break my heart
And you still are the air I breathe
So please dont leave

Chorus:

Hold on I would miss you so much
Don't go over something so little
You're wrong cause I finally see
It's not you, it's me
It's not you, it's me

Bridge:

OH OH
Don't waste time
Cause we don't have forever
Love's not blind
Or we would be would be together

Chorus:

Hold on I would miss you so much
Don't go over something so little
You're wrong cause I finally see
It's not you, it's me
It's not you, it's me

Outro:
Oh yeah..
I gotta forgive
I gotta let go
Cause I am the only one I can control
I gotta forgive
I gotta let go
Cause I am the only one I can control
It's not you, it's me
It's not you, it's me
