You're my best friend  
In spite of flaws  
I can't believe You're always there  
You hear my prayers

You are my rock  
You harbor truth  
I can see Your light shine everywhere  
It's all around me

You never judge me for my faults  
Your love is unconditional  
Without You I don't know where I'd be

Jesus is  
The sweet, sweet love of my soul  
Jesus is  
The only thing making me whole  
He's everything to me  
All I desire to be  
That's what Jesus is  
That's what Jesus is

Sweet comforter  
You ease my mind  
Always beside me constantly  
You never leave me

And You know me, oh, so well  
Better than I know myself  
And Your word is all that I believe

Jesus is  
The sweet, sweet love of my soul  
Jesus is  
The only thing making me whole  
He's everything to me  
All I desire to be  
That's what Jesus is  
That's what Jesus is

You're the spark of heaven's light

The stars that shine at night  
Here with You it feels like home

Jesus is  
Jesus is  
The healer of my heart when it breaks  
Jesus is  
Forgiveness when I make a mistake  
He's all that I believe  
He's everything I need  
That's what Jesus is

Jesus is  
The sweet, sweet love of my soul (sweet, sweet Jesus)  
Jesus is  
The only thing making me whole  
He's everything to me  
All I desire to be  
That's what Jesus is  
That's what Jesus is

He's all that I believe  
He's every breath I breathe  
That's what Jesus is  
That's what my Jesus is
