Verse:

I've been lookin' till my eyes are tired of lookin'
Listenin' till my ears are numb from listenin'
Prayin' till my knees are sore from kneelin' on the
bedroom floor
I know that you know that my heart is achin'
I'm running out of tears and my will is breakin'
I don't think that I can carry the burden of it anymore
All of my hopes and my dreams and my best laid
plans,
Are slowly slippin' through my folded hands

Chorus:

So I'm gonna lay it down
I'm gonna learn to trust You now
What else can I do
Everything I am depends on You
And if the sun don't come back up
I know Your love will be enough
I'm gonna let it be, I'm gonna let it go,
I'm gonna lay it down.

Verse:

I've been walkin' through this world like I'm barely livin'
Buried in the doubt of this hole I've been diggin'
But You're pullin' me out
I'm finally breathin' in the open air
This room may be dark but I'm finally seein'
There's a new ray of hope, and now I'm believin'
That the past is past, and the future's beginning to look
brighter now
Oh, cause all of my hopes and my dreams and my best
laid plans
Are safe and secure when I place them in Your hands

Chorus:

So I'm gonna lay it down
I'm gonna learn to trust You now
Oh what more can I do,
Cause everthing I am depends on You
And if the sun don't come back up
You know Your love will be enough

I'm gonna let it be, I'm gonna let it go,
I'm gonna lay it down
I'm gonna lay it down
I'm gonna lay it down.
