Oh oh oh oh
Father do you hear me?
Cause I know I hear you.
I waited for the answers
While sitting here in my room.
Oh, I danced to the rhythm
And moved by myself.
No one could see through me
Or hear the words I felt.

Little voice inside keeps calling,
Little voice inside me cries,
Little voice inside keeps calling.
Little voice - oh wont you be my guide?

I sometimes hear the echo,
Oh, the pattern of my cry.
I sometimes feel the pulling
From a sound that's deep inside.
Oh, quiet are the whispers
And silent are my eyes.
No one hears but me
That little voice inside, you see

Little voice inside keeps calling,
Little voice inside me cries,
Little voice inside keeps calling.
Little voice - oh wont you be my
Little voice inside keeps calling,
Little voice inside me cries, oh

Oh, oh oh, oh oh, oh oh, oh, oh, oh, oh, oh
Little voice inside
Little voice inside
Little voice inside
Little voice inside
Little voice inside keeps calling
Little voice inside me cries
Little voice inside keeps calling
Little voice oh - wont you be my guide? (little voice
inside)

Little voice inside
Little voice inside (little voice inside)
Little voice inside, oh la la la la la
Little voice inside, oh la la la la la
Little voice inside, oh la la la la la
Little voice inside
Little voice inside
Father, do you hear me? oh oh...
