Verse:

Hear the cry, tearful eyes  
Can't deny and wish it all away  
Will the pain ever change if we save love for another

Now is the time, to break the silence and

Chorus:

Love out loud, let your loving be your voice (Everybody

Love out loud, together we can make some noise  
(Everybody come on)  
Love out loud, without fear  
Sing a song and let the whole world hear  
Love out loud

Verse:

Be His hands, Be His feet  
Be the people we are called to be  
Take His love to the streets, show compassion to a soul

Love out loud, let your loving be your voice (Everybody  
come on)  
Love out loud, together we can make some noise
