La luna fue alguna vez
Roca nada mÃ¡s
Y las estrellas
Lucecitas mÃ¡s allÃ¡
Hoy la luna es una
Perla celestial
Las estrellas son las ventanas
A un nuevo despertar

Mira lo que has hecho en mÃ¡
Con tu inmenso amor
Tu poesÃ­a y tu sentir
EstÃ¡n en mi interior

Danza muy feliz mi corazÃ³n
Y es libre mi alma en ti
Mira lo que has hecho en mÃ¡

SÃ© que una vez yo
RespirÃ© tanta soledad
Que no sentÃ­a
En mi pecho palpitar

Hoy la vida me da un beso
Al respirar
Siento al fin mil mariposas
Que van volando en mÃ¡

Mira lo que has hecho en mÃ¡
Con tu inmenso amor
Tu poesÃ­a y tu sentir
EstÃ¡n en mi interior

Danza muy feliz mi corazÃ³n
Y es libre mi alma en ti
Mira lo que has hecho en mÃ¡

Y aÃ±o no sÃ©

Si sÃ³lo fue un violÃ³n
O si tÃ³me hablaste
Si fue talvez un rayo
Que cayÃ³
O si fue tu mano
Que me sujetÃ³

Literal english translation of mira lo que has hecho en
mÃ³ (look what
You have made in me)
Translated by computer and edited by adam agonis

The moon was sometime
A rock, nothing else
And the stars
Distant lights
Today the moon is
A celestial pearl
The stars are the windows
To a new one to awakening

Look what you have made in me
With your immense love
Your poetry and your sensation
Are within me

My heart dances happily
And my being is free in you
Look what you have done in me

I know that once
I breathed in much solitude
That did not feel
The beating in my chest

Today life gives me a kiss me
When breathing
I feel the result of a thousand butterflies
That are flying within me

Look what you have made in me
With your immense love
Your poetry and your sensation
Are within me

My heart dances happily
And my being is free in you
Look what you have done in me

And not yet do
I know if it were only a violin

Or if you spoke to me
If maybe it was a ray
That I fell
Or if it was your hand
Holding me
