La luna fue alguna vez
Roca nada mÃis
Y las estrellas
Lucecitas mÃis allÃi
Hoy la luna es una
Perla celestial
Las estrellas son las ventanas
A un nuevo despertar

Mira lo que has hecho en mÃ
Con tu inmenso amor
Tu poesÃa y Tu sentir
EstÃin en mi interior

Danza muy feliz mi coraz3n
Y es libre mi alma en Ti
Mira lo que has hecho en mÃ

SÃ© que una vez yo
RespirÃ© tanta soledad
Que no sentÃa
En mi pecho palpitar

Hoy la vida me da un beso
Al respirar
Siento al fin mil mariposas
Que van volando en mÃ

Mira lo que has hecho en mÃ
Con Tu inmenso amor
Tu poesÃa y Tu sentir
EstÃin en mi interior

Danza muy feliz mi coraz3n
Y es libre mi alma en Ti
Mira lo que has hecho en mÃ

Y aÃn no sÃ©
Si s3lo fue un violÃn

O si TÃ© me hablaste
Si sÃ³lo fue un rayo
Que mirÃ©
O si fue Tu mano
SujetÃ©ndome

Literal English Translation of Mira Lo Que Has Hecho en
MÃ© (Look What
You Have Made In Me)
Translated by computer and edited by Adam Agonis

The moon was sometime
A rock, nothing else
And the stars
Distant lights
Today the moon is
A celestial pearl
The stars are the windows
To a new awakening

Look what you have done in me
With your immense love
Your poetry and your feeling
Are within me

My heart dances happily
And my soul is free in You
Look what you have done in me

I know that once
I breathed in much solitude
I did not feel
The beating in my chest

Today life kisses me
When breathing
I finally feel a thousand butterflies
that are flying within me

Look what you have done in me
With your immense love
Your poetry and your feeling
Are within me

My heart dances happily
And my soul is free in You
Look what you have done in me

And I don't know
if it was only a violin
Or if You spoke to me

If only it was a ray of light
That I saw
Or if it was Your hand
Holding me
