Lord, I'm in the dark
Seems to me the line is dead when I come calling
No one there, the sky is falling

Lord, I need to know
My mind is playing games again
You're right where You have always been

Take me back to You
The place that I once knew as a little child
Constantly the eyes of God watched over me

Oh, I want to be
In the place that I once knew as a little child
Fall into the bed of faith prepared for me

I will rest in You
I will rest in You
I will rest in You

Tell me, I'm a fool
Tell me, that You love me for the fool I am
And comfort me like only You can

And tell me there's a place
Where I can feel Your breath
Like sweet caresses on my face again

Take me back to You
The place that I once knew as a little child
Constantly the eyes of God watched over me

Oh, I want to be
In the place that I once knew as a little child
Fall into the bed of faith prepared for me

I will rest in You
I will rest in You
I will rest in You

I will rest in You

I will rest in You
I will rest in You

La, la, la, la, You
La, la, la, la, la
La, la, la, la, la
You, la, la, la, la, la, You
La, la, la, la, la, You

Take me back to You
The place that I once knew as a little child
Constantly the eyes of God watched over me

Oh, I want to be
In the place that I once knew as a little child
Fall into the bed of faith prepared for me

I will rest in You
I will rest in You
I will rest in You

I will rest in You
I will rest in You
I will rest in You

I will rest in You
I will rest in You
I will rest in You

I will rest in You
I will rest in You
I will rest in You

I will rest in You
I will rest in You
