I hear daily news
People cry out for their freedom
My eyes turn to You
Don't they know, Lord, You can lead them

If we all pray for peace
Change will come I believe
As we face the unknown
God heals us when we're broken

He is there, use your voice
Reach for him, make a choice
None of us are alone
Don't leave your heart unspoken

God heals us when we're broken
Don't leave your heart unspoken

I pray save our souls
Help us find a new direction
We're lost in the cold
Let Your arms be our protection

If we all pray for peace
Change will come I believe
As we face the unknown
God heals us when we're broken

He is there, use your voice
Reach for him, make a choice
None of us are alone
Don't leave your heart unspoken

God heals us when we're broken
Don't leave your heart unspoken

Out of the dark
Into the light
He is there for us
With all His might

He has the answers

He hears your prayers
Turn every corner
And you'll find Him there

Don't leave your heart unspoken

If we all pray for peace
Change will come I believe
As we face the unknown
God heals us when we're broken

He is there, use your voice
Reach for him, make a choice
None of us are alone
Don't leave your heart unspoken

God heals us when we're broken
Don't leave your heart unspoken
