Ooh, ooh, ooh  
Sometimes you're weak and weary,  
Feels like your heart is breaking,  
Nobody close enough to ease your mind.  
Seems like the night is falling,  
The darkness has you crawling,  
You wonder if you'll ever reach the light.  
But you've got to know that the fathers always there by  
your side.

We will overcome heartache and sorrow.  
We will overcome all the pain in this world.  
We will rise above the cares of tomorrow.  
We will overcome.

We all get disillusioned  
With all of life's confusion.  
Sometimes we simply have to walk by faith.  
The road may not be easy  
But there is hope and healing.  
Remember, help is just a prayer away.  
So don't be afraid, he will give us all the strength that  
we need.

We will overcome heartache and sorrow.  
We will overcome all the pain in this world.  
We will rise above the cares of tomorrow.  
We will overcome.

When we struggle through the hard times,  
There's a peace that comes from the lord.  
Just remember, he is faithful,  
So believe and trust in him more.  
And don't be afraid, he will give us all the strength that  
we need.

We will overcome heartache and sorrow.  
We will overcome all the pain in this world.  
We will rise above the cares of tomorrow.  
We will overcome.

Yes, we will overcome heartache and sorrow.

We will overcome all the pain in this world.  
We will rise above the cares of tomorrow.  
We will overcome.  
We will overcome.  
We will overcome.
