Chorus:

I am weightless
The burden is gone
I am weightless
oh, I am weightless
You're mercy has come
I am weightless, Yeah
I'm walking on air
The world lifted off my shoulders
Without a care
Now, that the clouds are over
In this atmosphere
I can breath again

(Chorus)

My conscience burns
Time for a new confession
My heart returns
Let's hope I learned my lesson
And all concerns
Simply float away

(Chorus)

Lifted from the ashes
Sprinkled with Your blood
The sea of tears
My shame has made
I'm soaring high above

Yes, I am overcome by Your Love
