You know my motives  
You know my heart  
No matter what I'm doin'

You see my secrets  
Right through the dark  
Who do I think I'm foolin'?

You watch me runnin'  
You let me hide  
'Cause You know where I'm goin' to

Seeking me  
Reaching me  
Keeping me in Your care, Lord  
I can't escape it

You don't miss a thing, I do  
You see every move, I make  
But You know everything, I need  
You don't let a care, get by You  
You don't miss a thing, do You?

When my heart's broken  
You dry my tears  
'Cause You know what I'm feelin'

When I am frozen  
You melt my fears  
Your gentle love is healing

You feed my hunger  
You quench my thirst  
'Cause You are my provider

Leading me  
Teaching me  
Keeping me in Your care, Lord  
I can't escape it

You don't miss a thing, I do  
You see every move, I make

You know everything, I need  
You don't let a care, get by You

You hear every word, I say  
I will never go unnoticed  
'Cause You don't miss a thing, do You?

You don't miss a thing, I do  
You see every move, I make  
You know everything, I need  
You don't let a care, get by You

You hear every word, I say  
I will never go unnoticed  
You don't miss a thing  
You don't miss a thing, no, no, no

You don't miss a  
You don't miss a thing  
You don't miss a  
You don't miss a thing

You don't miss a  
You don't miss a thing  
You don't miss a  
You don't miss a thing
